

## New Providence Business Information Form

As a member of the New Providence business community, your input is important to help address issues facing business owners and operators in town. Please take a moment to complete this form so that we can effectively communicate with you regarding business community topics and concerns. We want to maximize the effectiveness of the dollars we currently spend maintaining and improving our downtown. Collectively, we can make a real difference. Your input is vital. Thank you for your participation.
