## PROGRAM INFORMATION-SPRING 2008

**Mission:** No experience is required! The purpose of the program is to introduce newcomers to the fundamentals and basics of lacrosse, at the same time allowing all players to develop stick skills and positional techniques. Sportsmanship and teamwork are emphasized!

**Eligibility:** Girls in grades 5, 6, 7 and 8 who reside in the towns of Berkeley Heights, Mountainside and New Providence are eligible to participate.

**NJJGLL:** The Rebels Lacrosse Club participates in the New Jersey Junior Girls Lacrosse League; there is a grade 5/6 division and a grade 7/8 division.

**Registration:** The deadline to register is January 4, 2008 and includes a fee of \$145; checks should be made payable to the *Rebels Lacrosse Club*. Registration covers the cost of league fees, certified officials and shared equipment such as balls, goals and goalie equipment. If the registration deadline passes, the form will be considered late and will incur late fees of \$25 per player. Help us by turning in completed registration forms before the deadline. Early registration will allow us to determine how many teams and coaches are required per age group before the league scheduling meeting in mid-January.

**US Lacrosse®:** Registration also *includes* membership to US Lacrosse®, the national governing body of lacrosse (the annual fee is \$25). Benefits of membership in US Lacrosse® include insurance coverage, access to US Lacrosse® programs/events and discounts and a free subscription to *Lacrosse Magazine*. The Rebels Lacrosse Club will apply for US Lacrosse® membership for all Rebels players and coaches.

**Equipment:** Parents must purchase *at their own expense* eye protection (goggles), a mouth *colored guard*, a regulation girl's or women's lacrosse stick and team uniform. Cleats are strongly recommended but not required. Goggles, mouth guards and lacrosse sticks must be brought to all practices and games! Sneakers should be worn when practice is held on pavement at lower Columbia Park behind Columbia Middle School. Practices are often held on pavement if field conditions are poor. *NOTE: Mouth guards cannot be clear or white!*

**Medical Information:** Parents are asked to complete a detailed medical information sheet which is included in the registration packet. Copies will be made for all coaches and kept on hand at all practices and games. During the course of the season, please communicate changes to this information to [RebelsLacrosse@comcast.net](mailto:RebelsLacrosse@comcast.net).

**Practices:** Beginning in March practices will be held on Monday and Wednesday afternoons/evenings as well as Saturday mornings. Practices will be held throughout the regular season unless a game is scheduled. Goggles, mouth guards and lacrosse sticks must be brought to all practices! In addition, Girls should dress in comfortable clothing and in layers and bring water bottles! Sneakers should be worn when practice is held on pavement (practices are often held on pavement if field conditions are poor).

**Games:** Regular season games begin in mid-April and end in early to mid-June. Games are *expected* to be played on Monday and Wednesday evenings (beginning no earlier than 6pm) and Saturday afternoons. Fields in Berkeley Heights and New Providence (as well as AWAY team locations) are subject to numerous demands. On occasion, make-up games may have to be scheduled on other days of the week. Please be flexible!

**Injuries:** Players must provide a doctor's note to practice and play in games upon returning from an injury.

**Opponents:** For the most part our opponents are located in the general vicinity; travel time should not exceed 30 minutes but can vary depending upon evening traffic. Directions will be provided for all AWAY field locations before the season begins. Changes in location will be communicated by email.

**Availability:** While attendance at practices and game IS important, coaches recognize that young girls have many interests and demands on their time whether it be academic, religious or athletic. *Please indicate on the registration form* any days of the week and times that you *already know* your daughter is not available. If other days come up that you find your daughter is not available, *please communicate that information as soon as possible to* [RebelsLacrosse@comcast.net](mailto:RebelsLacrosse@comcast.net). On game days especially, please be considerate to opponents and teammates and let coaches know if your daughter is not available.

**Tournaments:** Depending upon interest, the Rebels Lacrosse Club would like to participate in 1 or 2 tournaments. Tournaments will not interfere with regular season games and are normally held on Sundays. Travel time is usually an hour to just over an hour. *Please indicate on the registration form* if your daughter is interested in participating in a tournament.

**Communication:** *Day to day communication will be done primarily* via email (from [RebelsLacrosse@comcast.net](mailto:RebelsLacrosse@comcast.net)) so please print your email address clearly on the registration form. You will be provided with coach's cell numbers which can be used on game days if you are lost or stuck in traffic.

**Illness:** Please email [RebelsLacrosse@comcast.net](mailto:RebelsLacrosse@comcast.net) if your daughter is ill and cannot attend a practice or game, as soon as you know she will not be available.

**Development Team:** In an effort to provide the more experienced players with an avenue for more competitive play, the NJJGLL (New Jersey Junior Girls Lacrosse League) has allowed for the creation of *development teams* that will play against other development teams in the League. The Rebels Development Team will consist of 7<sup>th</sup> and 8<sup>th</sup> graders who have mastered the basic skills of lacrosse. *Please indicate on the registration form* if your daughter is interested in trying out for the development team. There are no additional practices; games will be played on Friday evenings and Sundays and may be either home or away.
