

WASTEWATER TREATMENT 3rd PLANT OPERATOR

Applications are being accepted for this full-time position for an individual interested in a career in Wastewater Operations which includes operation, maintenance and repair of the Borough owned wastewater treatment plant, pump stations and collection system, as well as preventive maintenance and housekeeping.

Applicants possessing a valid, CDL Class A or Class B driver's license is preferred. If not in possession of this license a Class B is required within six (6) months of hire date and Class A within one (1) year. Applicants must be mechanically inclined, available to respond to after hour emergencies and have good oral and written communication skills.

Starting Salary: \$44,000.00 with generous benefit package including medical/dental insurance as well as paid vacation periods.

Candidates who wish to be considered for this position are required to complete the application form on this web-site (under forms section) and submit their resume to Betty Ann Stinchcomb, 360 Elkwood Ave, New Providence, N.J. 07974.

Candidates seeking additional information may contact Anthony Carnevale, WWTP Superintendent, at 908-665-1077.

Application must be received by December 2, 2019 no later than 4:00 PM.
