registering, you can sign up at the DeCorso community Center, the New Providence Memorial Library or at the Clerk’s Office in the Municipal Center.

“Smart 911 will improve safety in our town and help inform residents of potentially life-saving actions they may need to take in an emergency,” said Anthony Buccelli, New Providence Chief of Police and OEM Coordinator. “Smart911 Emergency Safety Profiles and the Smart 911 Alert system allow both residents and first responders to be better informed in an emergency situation.”

Through one sign up process, residents can share important information with 9-1-1 responders and also receive timely emergency and community alerts. The borough will no longer be using the Code Red system to send emergency announcements and will instead send them through Smart 911.

Residents must register by October 1 to receive Smart 911 alerts even if you had previously registered with Code Red. Your personal contact information will not transfer from Code Red to Smart 911.

Sign up for free on the borough website, www.newprov.org or at www.smart911.com or download the Smart911 app. You can create a new profile or update your existing profile to receive timely and actionable emergency alerts via email, text or voice message. You can also identify when and how you are alerted and communicated with before, during, and after emergencies. If you don’t have access to a computer or you need assistance

Smart 911 is a free service that allows individuals to improve their personal safety by creating a Safety Profile for their household that can include any information they want 9-1-1 call takers and first responders to have in the event of an emergency. If they need to dial 9-1-1, their Safety Profile will immediately display on the call taker’s screen, saving critical seconds and even minutes in responding to the emergency. Individuals can also register to receive alert notifications from New Providence regarding potentially hazardous situations involving weather, traffic, and other emergencies.

“Smart 911 saves critical time in an emergency when seconds count,” said Buccelli. “The key information provided in a Smart 911 Safety Profile enables us to know exactly where we are going and who we are looking for. If there is a medical emergency or a house fire, those details can help us respond faster and more efficiently. In addition, the Smart 911 Alert system allows us to send notifications to our residents to keep them informed of emergencies and how to be prepared and stay safe.”

2019 Leaf Collection

Residents will have three (3) options for leaf collection this fall:

- 1. Put leaves in cans, open containers, or paper bags and place at curbside for Monday collection.** Leaves, grass, brush, and garden debris are collected every Monday through December 9. Items must be placed at curb prior to 5AM.
- 2. You may purchase a permit to have your leaves vacuumed from the curb.** Permit cost is \$55.00. (Fee is waived for seniors who receive a \$250 Senior Deduction, Disabled Person Deduction, or Widow of Senior/Disabled Person Deduction. Please note the Senior Deduction is not the same as the Property Tax Reimbursement or the Homestead Credit, and qualified individuals must meet income and age requirements set by State of NJ. To verify eligibility you may contact the Borough Clerk's Office 908-665-1400 x0.)

NOTE: Sticks, rocks, or other debris may not be commingled into the leaf piles – they clog the vacuum! Only leaves from your property are permitted.

Residents on Union County Roads – If you live on Springfield Avenue, South Street, Passaic Street, or Mountain Avenue, leaves will be vacuumed by the Union County Public Works Department. Schedule will be on www.newprov.org when available. Please do not purchase a permit unless your house is on a corner and you specify the Borough Street where your leaves will be placed.

- 3. Have your landscaper collect leaves.** Landscapers are responsible for disposal of leaves and are not permitted to dump at DPW. If your landscaper plans to blow leaves into the curb they must follow the pickup schedule for your street and pay for a permit to have them vacuumed.

If you wish to purchase a permit your options are as follows:

- PAY ONLINE at www.newprov.org and print your permit.
- Complete application and mail or bring with payment to the Municipal Center:
Clerk's Office
360 Elkwood Avenue
New Providence, NJ 07974
- Call the Borough Clerk's Office and pay with credit card over the phone 908-665-1400 x0 (permit will be mailed to you).

FreecycleFest Returns to New Providence on September 28

Sustainable New Providence will be hosting the second New Providence FreecycleFest on Saturday, September 28, from 9 AM - 4 PM at the American Legion, 357 Elkwood Ave. FreecycleFest is our annual big "garage sale" without the sale – everything is free! You can help keep things out of the landfill by contributing unwanted, but still usable, items. Other members of our community can drop by and take what others have donated!

Small furniture items, electric appliances, lamps, housewares, craft supplies, toys, pet supplies, and exercise equipment are all great items that can find a new home and be appreciated by someone else when you no longer need them.

Donations should be brought to the American Legion between 9 AM and 1 PM on the 28th. This year we will not be able to accept clothes, books,

or large furniture items. (Please, no drop-offs before the 28th.) For more information on how FreecycleFest works, details on what items we can or can't accept, and contact information, see <https://tinyurl.com/NPfreecyclefest>.

Interested in volunteering to help on the 28th? Please fill out our volunteering form at <https://tinyurl.com/FreecycleFestVolunteer>

Scarecrows are Returning to New Providence! Sign Up Today!

New Providence Business is hosting the annual Scarecrow Contest, bringing a festive feel to our downtown! The contest encourages New Providence residents, businesses, civic organizations, school groups, sports teams, and families to build the wildest, cleverest, funniest scarecrows they can imagine (within contest guidelines). The scarecrows will be on display throughout the downtown to bring the community and businesses together, encourage walking, and provide a great opportunity to visit our fantastic stores and restaurants.

New this year – more prize categories!

Prizes (\$150) will be given for the best entry in each category:

- Ages 14 and under
- Ages 15 and over
- Organizations/Schools
- Businesses

The competition entries are open to only New Providence residents, businesses, and community organizations, but anyone can vote for their favorite.

Registration is now open. The entry deadline is Saturday, Oct. 5. Starting Oct. 11, scarecrows will be placed along Springfield Ave. and South Street. People can vote for their favorite scarecrows from October 11 through Nov. 1, so make sure you spread the word to your family and friends. Voting ballots and voting boxes will be available at participating downtown businesses. Winners will be announced shortly after November 2. Prizes (\$150) will be given for the best scarecrow in each of the above categories.

Details, guidelines, and a link to enter online can be found on the Business Community website, www.newprovbiz.com and via the borough website www.newprov.org.

2019 New Providence Street Fair

The annual New Providence Street Fair Presented by NJ Sharing Network and Atlantic Health Overlook Medical Center will be held in downtown New Providence on Sunday, October 27, 2019. The fair, sponsored by Orangetheory Fitness and Lantern Hill, will be held on Springfield Avenue between South Street and Livingston Avenue from 10 AM until 4 PM.

The family-oriented street festival offers attractions for everyone, young and old. As in previous years, the event provides arts and entertainment for the kids, such as kiddie rides, pony rides, a petting zoo, balloons and a clown performer. The attendees are also able to enjoy great fair food like sausage and pepper sandwiches, hot dogs, shish-k-bobs, zeppoles, butterfly fries, kettle corn, ice cream and more. The event also offers food from local establishments and Business Community members. Street vendors present many unique items at great prices and local non-profit organizations host contests and games for all attendees. New Providence Police will also be on hand to answer questions about Smart 911 and help residents create a Smart 911 Emergency Safety Profile and sign up for emergency alerts.

This year, our great scarecrows will be decorating the downtown during the Street Fair. You can view them and then vote for your favorite. Ballots and ballot boxes will be available at participating downtown businesses.

See you at the fair!

Holiday Festival

The New Providence Business Community and the borough have teamed up once again to host the annual Holiday Festival. Presented by the Union County Board of Chosen Freeholders, this event will take place in downtown New Providence on Friday evening, Nov. 29 from 6 – 8 PM. Businesses will be open the next day with specials and offers for Small Business Saturday.

In addition to the traditional Christmas Walk with Santa's arrival and the marching band, the Holiday Festival will feature winter celebrations and customs from around the

world, entertainment, activities, giveaways, ice sculptures, and more! The evening will culminate with a fantastic fireworks show sponsored by NP Fuel. Local businesses are also participating with entertainment, free treats, and more!

"The Holiday Festival is a great FREE family event for everyone in town," said Michelle Brugger, President of the New Providence Business Community. "We are always looking for ways to thank all of the people who support us throughout the year, and this is a great way to do that. We hope everyone will come out to enjoy the festivities!"

The Holiday Festival is sponsored by AIR New Providence, Berkshire Hathaway Home Services, Braunschweiger Jewelers, Lantern Hill, Lassus Wherley - a subsidiary of Gladstone Peapack Bank, the NJ Sharing Network, the Downtown Improvement District, and NP Fuel.

Additional information about the Holiday Festival will be available at www.newprovbiz.com and www.newprov.org. Check back for event details, information, updates, and a festival map as the event gets closer.

300 YEARS OF PIONEERS

New Providence residents can look forward to our tricentennial celebration in 2020, commemorating of the arrival of European settlers to our area three hundred years ago.

Plans are being made for a kick-off party in February, along with other events throughout the year to celebrate "300 Years of Pioneers." All event dates to be announced.

New Providence Rescue Squad

Did you know your New Providence Rescue Squad's members are 100% volunteers? Full members ride a weekly weekday shift and also two weekend shifts a month. Our shifts are 12 hours in length; 7 AM to 7 PM or 7 PM to 7AM. We are especially in need of weekday, daytime members. Our members are allowed to respond from home to the building. If you are interested in the joining our team, and are

at least 18 years old and not a high school student, please contact us at volunteer@newprovems.org for more membership information. No experience necessary as we will fully train.

All of the services provided by the New Providence Rescue Squad are free of charge to those in need of them. Being a non-profit operation, the Squad does not receive direct support from property taxes and relies solely on contributions from local residents and businesses for survival. All donations are tax-deductible, as we are a IRS 501(c). If you would like to make a donation, checks can be mailed to New Providence Rescue Squad, PO BOX 804, New Providence, NJ 07974.

Together we can make a difference.

The New Providence Alliance to Prevent Alcohol and Drug Abuse is a volunteer organization consisting of parents, students, senior citizens, business members and representatives from the Borough, the Board of Education and the Police Department.

“EVERY 15 MINUTES”

As the school year draws to a close at New Providence High School, students eagerly begin planning for prom, graduation, and summer. Milestones, like graduation and prom, are ones filled with happiness and nostalgia. However, these events are often prime situations where students end up driving under the influence of drugs or alcohol. Every 15 minutes, someone is killed in an alcohol related traffic accident. This May, juniors and seniors at New Providence High School experienced the tradition of Every 15 Minutes at the high school. The extensive program allows the students to get an authentic grasp of how drunk driving accidents affect their friends, families, and most importantly their community.

At the beginning of the program, students are removed from their classes “every 15 minutes”, and have their faces painted white and cannot speak for the rest of the day. These students symbolize the gruesome statistics of impaired driving, and walk around during the school day to represent dead teenagers. Later that same day, a drunk driving collision is then displayed for juniors and seniors, simulating real time medical responders that arrive at the scene, in an emotional assembly for students, faculty, and members of the community. The whole process is then filmed, to be shown to the student body the following day, as they prepare for the upcoming Senior Events.

“The every 15 minutes experience was one that I’m really glad I was a part of, because it was incredibly empowering and moving,” said Nina Suske, a rising Senior at New Providence

High School. Nina was heavily involved in the program, and was one of the students that “died” during the simulated collision. “Although the scene might have been fake, the emotions and reactions were all true. It felt real in the moment and was scary, despite being a scene we were all acting in.”

“Every 15 Minutes” may just be a week long program, but its message and frightening imagery leave a strong impact on the whole New Providence community for years to come. “Every 15 Minutes” is sponsored by the New Providence Municipal Alliance with the support of the New Providence School District, The New Providence EMS, Police, Fire and Atlantic Health Systems. A special thanks goes to the Murray Hill Inn and to the Prestige Diner for their support also. This program would not be possible without the funding from the Governor’s Council on Alcohol and Drug Abuse and the Borough of New Providence.

WE NEED YOUR HELP!

Although many of our programs are funded through a grant, much of what the Alliance does is made possible by donations from supportive members of our community.

HOW CAN YOU HELP?

- **Donate your gently used clothing in bins located at the rear of the side lot of the New Providence Rescue Squad on Academy Street.** Your old clothes will be recycled and made available to people who need them, and the Alliance will get money back for hosting the clothing bins. It is a winning situation for everyone involved!
- **Make a monetary contribution to the Alliance.** Please make check payable to: **The New Providence Alliance, 360 Elkwood Ave, New Providence, NJ 07974.**

VAPING: WHAT IT IS AND THE FACTS

BREAKING NEWS:

As of August 30, more than 215 cases of severe lung disease linked to vaping have been reported across 25 states; 2 patients have died. Fifteen cases have been reported in NJ. Investigations are ongoing to determine what is causing this respiratory illness as the Vape devices have contained nicotine and/or THC.

What Is in E-cigarette Aerosol?

It can contain potentially harmful substances, including:

- Nicotine
- Ultrafine particles that can be inhaled deep into the lungs
- Flavoring such as diacetyl, a chemical linked to a serious lung disease
- Volatile organic compounds
- Cancer-causing chemicals
- Heavy metals such as nickel, tin, and lead

FACTS:

- E-cigarettes are electronic devices, that come in many shapes and sizes. They heat a liquid and produce an aerosol, or mix of small particles in the air. The liquid usually contains nicotine, flavorings, and other chemicals that help to make the aerosol. This liquid is sometimes called "e-juice," "e-liquid," "vape juice," or "vape liquid."
- Users inhale e-cigarette aerosol into their lungs. Bystanders can also breathe in this aerosol when the user exhales it into the air. Children and adults have been poisoned by swallowing, breathing, or absorbing e-cigarette liquid through their skin or eyes.
- Most devices contain nicotine, but can also be used to deliver marijuana and other drugs.
- Nicotine can harm the developing adolescent brain. The brain keeps developing until about age 25. Using nicotine in adolescence can harm the parts of the brain that control attention, learning, mood, and impulse control.
- Scientists are still learning about the long-term health effects of e-cigarettes.
- Some of the ingredients in e-cigarette aerosol could also be harmful to the lungs in the long-term. For example, some e-cigarette flavorings may be safe to eat but not to inhale because the gut can process more substances than the lungs.

E-cigarette aerosol is NOT harmless "water vapor."

The Alliance is proud to provide the following programs to our community:

Red Ribbon Week (Oct) – New Providence Middle School Peer Leaders Walk to Centennial Park, listen to the Proclamation read by the Mayor, tie ribbons around the gazebo, trees and lampposts in Centennial Park. Alliance pays for the DJ for the NPMS RRW Dance. The school district also provides programs for the students in all grades

Forest Friends and Prehistoric Pals – Two early elementary prevention programs that target pre-K through 2nd grade students at the Academy of Our Lady of Peace and explore character-building qualities needed by children to make responsible decisions.

D.A.R.E. (several months) – The Alliance purchases all supplies needed for this program to be presented to all 5th grade students in New Providence.
