Project – Improvements to Union Avenue
Borough of New Providence

Please be advised that on or about Thursday, August 27th the milling and paving phase for the above referenced project is scheduled to commence. This work shall take approximately 6 business days to complete.

The milling of the existing asphalt will take approximately 3 days to complete and should cause limited disruption to residents and local traffic. The asphalt paving should also take 3 days to complete. However during the paving operation, there may be short periods of time when residents' driveways will not be accessible for ingress and egress.

If you should have any concerns or questions regarding this project, please feel free to talk with our on-site foreman or contact our office during the hours of 8:00 AM to 5:00 PM.

Thank you in advance for your cooperation,

Top Line Construction Corporation
