Press Release February 19, 2019

The New Providence Police Department is currently investigating 4 home burglaries that have occurred over the past year that we believe are linked to the celebration of Chinese New Year. In all instances, there was forced entry into the residences. In one of the burglaries, the homeowner provided images from inside the residence of the person we believe to be the suspect. With all 4 burglaries, the homeowners were not home at the time of entry.

The Burglaries took place on Ryder Way and Midvale Dr on Feb. 2nd. Mountain Ave in November 2018 and Springfield Ave in March of 2018.

In our recent case both residents were out celebrating Chinese New Year and in the other 2 incidents, we have not definitely tied together any specific event other than their Asian heritage.

In all cases either cash, rare coins, jewelry, handbags and luggage was taken

Please see the attached photos of the potential suspect.

We continue to seek the public's help in identifying the suspects. If you recognize these suspects or have any information regarding these burglaries, please contact the New Providence Police Department at 908-665-1111 and ask to speak to any member of the Detective Bureau.
