

Bulk Pick-Up Information

Bulk collection for 2018 has been completed. We appreciate those with questions or concerns who contacted us directly for clarification or assistance. We're pleased that those concerns have been addressed.

We'd like to remind residents to contact the Borough using the "Contact Us" *Action Line Request* on our web-site for any municipal issue or concern. This allows assignment of a tracking number and provides updates to the person submitting the concern. If you want accurate information about municipal operations, we recommend speaking to someone directly in the municipal center.
