Your child will learn routine school topics in the great outdoors - discovery time, nature themed crafts & free play. Children will build their curiosity and wonder while exploring the world around them. Make sure your child is dressed appropriately for the weather. **This class is outdoors rain, snow or shine!**

*Mini Explorers must be potty-trained.

**If you sign up for this class and you are placed on the Waitlist, do not panic. There are certain programs that have had low attendance in the past. Instead of charging you for the class, canceling it and then crediting your Community Pass account, we will place you on a Waitlist where you will not be charged. You will then be notified VIA EMAIL if the class is running, and then prompted to complete the sign-up process.

Note: Non-residents may register starting on January 21, 2019 for an additional \$20 fee per program, space permitting.
