Learn the information and skills necessary to provide safe and responsible care for children in the absence of adult guardians. Some of the skills they will learn are: diapering, feeding, age appropriate play, preventing accidents, rescue breathing, and basic first aid. Taught by the American Red Cross.

Participants should bring a bag lunch and a snack. Refrigeration is available.

Workshop is open only to New Providence residents! Go to www.newprov.org/recreation and click on the "online registration" link. The Babysitting Workshop can be found under 2018 Youth Fall Recreation. To register in person, download a registration form or pick one up in the Recreation office at 360 Elkwood Ave, New Providence.
