Re: Request the purchase of (2) new Stalker Radar units

I am requesting to purchase two new Stalker Radar Units for our new police vehicles. We have used Stalker Radar exclusively for the last twenty years. It is reliable and dependable equipment. All of our instructors and police officers are certified in the use of the Stalker equipment. I have obtained three competitive price quotes and Stalker Radar is the lowest price.

Total cost for the (2) two Stalker Dual SLR Radar Units plus installation & shipping is \$4,905.00 our DDEF (Drunk Driving Enforcement) funds have been approved for use by Paul Groffie, the DDEF Coordinator of the Office of the Attorney General Division of Highway Traffic Safety.

Respectfully Requested,

RE: DDEF Request to Purchase - (2) Two Stalker Radar Units

Captain,

Pursuant to today's request to purchase *(2) two Stalker Dual SLR Radar Units plus installation & shipping* for \$4,905.00, this request is approved.

As confirmation of this expenditure, I would appreciate a copy of the invoice for our records. This will allow the Division of Highway Traffic Safety the ability to maintain accurate records for your Department.

As a reminder, 50% of all funds received for the DDEF program are to be used for officer salaries during your primary DDEF program. This is mandatory and failure to abide by this could result in delay or denial of future funding. **I will advise you when a change in your spending may be required.**

I appreciate your cooperation in this matter and wish you continued success with your DDEF program. If I may be of further assistance, please contact me at (609) 633-9255 or you may email me at Paul.Groffie@lps.state.nj.us.

Sincerely,

Paul F. Groffie
DDEF Coordinator
