

RESOLUTION
of the
BOROUGH OF NEW PROVIDENCE
Resolution No. 2013-047

Council Meeting Date: 01-14-2014

Date Adopted: 01-14-2013

TITLE: RESOLUTION APPROVING CHANGE ORDER #2 FOR MARK PAVING CO. INC. IN THE DEDUCTION AMOUNT OF \$37,380.00, FOR THE PROJECT COMMONLY KNOWN AS "PEARL STREET INTERSECTION IMPROVEMENTS"

Councilperson Galluccio submitted the following resolution, which was duly seconded by Councilperson Muñoz.

WHEREAS, Mark Paving Co., Inc's, original contract amount was \$224,682.50 for the project commonly known as "Pearl Street Intersection Improvements"; and

WHEREAS, Change Order #1 in the amount of \$39,073.75 was approved for the additional work required to install new storm drains and for additional paving at the intersections of Pearl Street at Central Avenue and Pearl Street at Union Avenue; and

WHEREAS, upon inspection of the Chief of Police and Manager of Public Works it was agreed to eliminate the solar powered crossing beacon from the contract and have the Borough Public Works Department purchase and install two pedestrian crossing signs with flashing beacons; and

WHEREAS, Change Order #2 is requested in the deduction amount of \$37,380.00, the cost of the installation of a solar powered crossing beacon, no longer required as a result of improved traffic flow; and

WHEREAS, based upon the review of Change Order #2, Borough Engineer agrees with the request and is recommending Change Order #2.

NOW THEREFORE BE IT RESOLVED by the Mayor and Borough Council of the Borough of New Providence, County of Union and State of New Jersey that Change Order #2 for Mark Paving Co., Inc, in the deduction amount of \$37,380.00 be approved for the project commonly known as "Pearl Street Intersection Improvements".

BE IT FURTHER RESOLVED Mayor and Borough Clerk be authorized to sign same.

APPROVED, this 14th day of January, 2013.

Jim Johnston, Public Works Manager
Mark Demareski, Assistant Borough Engineer

Dated: January 9, 2013

**RE: Resolution for Project Change Order #2
Pearl Street (Section 2) Intersection Improvements**

Mark Paving has completed the roadway reconstruction works includes milling, resurfacing, inlet repair, curb replacement and sidewalk improvements. The remaining item to be performed is the installation of a solar powered crossing beacon. Due to the fact that the additional line striping on Union Avenue has improved the traffic flow and per the site meeting on Wednesday October 18, 2012 with Anthony Buccelli and Jim Johnston, it was agreed to eliminate the Solar Powered Crossing Beacon. The total deduct cost is (-) \$37,380. The Engineering and Public Works Department will then purchase and install two (2) Pedestrian Crossing Signs with Flashing Beacons by a separate contractor for an estimated cost of \$3,000.

The total of deduct Project Change Order #2 is (-) \$37,380.00; the original contract and change order #1 amount was \$263,756.25 and therefore results in a 0.75% increase to the contract. The amended contract amount is \$226,376.25 including Project Change Order #2.

Original Contract Amount	\$224,682.50
Change Order #1	\$ 39,073.75
Change Order #2	(-) \$ 37,380.00
	\$226,375.75

The NJDOT Municipal Aid Grant was in the amount of \$190,000. This solar powered crossing beacon was originally to come out of the Roadway Improvements Capital Account, therefore the Mayor and Council can approve of this Project Change Order #2 and if it is recommended at a later date to be performed, the Engineering and Public Works Department can therefore purchase and install this solar powered crossing beacon by a separate contractor.

If you have any questions or require additional information, please feel free to give me a call.
