Schedule C
Borough of New Providence Amerihealth

The parties agree that the effective date of this Agreement is January 1, 2012
The Borough and the Union agree as follows:

ARTICLE 1 - RECOGNITION

The Borough recognizes **LOCAL UNION NO. 469**, affiliated with the **INTERNATIONAL BROTHERHOOD OF TEAMSTERS** as the sole and exclusive bargaining agent for all persons employed in each job classification shown on **Schedule A** covered by this Agreement in all matters pertaining to rates of pay, wages (salaries), hours of work, benefits and other terms and conditions of employment.

Excluded are all professional, office clerical, supervisory, police employees, seasonal employees and all other employees excluded by law. For purposes of this Agreement, the term "seasonal employee" shall be defined as employees working less than one hundred twenty (120) calendar days in any calendar year.

All references within this Agreement to employees of the male gender are used for convenience only and shall be construed to include both male and female employees.

ARTICLE 2 - MANAGEMENT FUNCTIONS AND RIGHTS

Except as modified by provisions of this Agreement, the Borough reserves to itself, the management of the Department of Public Works and all rights incidental to said management. The rights include, but are not limited to: the discretion to direct, discipline and discharge employees; to hire, classify, promote, demote, transfer or layoff employees; to change the size or composition of the work force; to increase the efficiency of the Department; to modify, terminate, or subcontract operations; to establish new procedures; to change technologies; and to establish reasonable work rules and regulations.

ARTICLE 3 - SUPERVISORY AND OTHER EXCLUDED PERSONNEL

At no time will any excluded employee or employee with supervisory authority be permitted to perform any work covered by this Agreement except for the purpose of instruction, training and/or in the absence of qualified people. This provision shall not be used to deprive the employees the opportunity to earn wages.

It is understood that seasonal employees, as that term is defined in Article 1 above, may appropriately perform bargaining unit work if qualified.

ARTICLE 4 - DUES CHECK-OFF

The Borough agrees that it will, on the first payroll in each month, deduct the Union dues from the pay of each employee certified by the Union as a dues paying member, and transmit same with a list of such employees to the Secretary-Treasurer of Local Union No. 469 within ten (10) working days after the dues are deducted.

After an employee has completed the probationary period of this Agreement, the Borough agrees to deduct the initiation fee from the employee's next paycheck and to transmit same to the Secretary-Treasurer of Local Union No. 469 as set forth above.

The Union agrees to furnish written authorization, in accordance with law, from each employee authorizing these deductions.

The Union will furnish the Borough a written statement of the dues and initiation fees to be deducted.

The Union agrees that it will indemnify and hold harmless the Employer against any actions, claims, loss or expenses in any manner resulting from action taken by the Employer at the request of the Union under this Article.

ARTICLE 5 - AGENCY SHOP

Pursuant to the provisions of the *New Jersey Employer-Employee Relations Act*, as amended, all employees in this negotiating unit who are not now or who subsequently elect not to be members of the Union or who hereafter may be employed and who, after ninety (90) days of employment, choose not to become members of the Union, shall have deducted from their pay - on a monthly basis - a representation fee of 85% of the dues charged by the Union to its members.

Such deduction shall be made on the same basis and for the same period as are made for members and all such deductions shall be paid over by the Borough to the Union at same time and on the same basis as such payments are made to the Union for member's deductions.

The Union agrees that it will indemnify and hold harmless the Employer against any actions, claims, loss or expenses in any manner resulting from action taken by the Employer at the request of the Union under this Article.

ARTICLE 6 - PROBATIONARY PERIOD

All newly hired employees shall serve a probationary period of ninety (90) calendar days. During this probationary period, the Borough reserves the right to terminate a probationary employee for any reason. Such termination shall not have recourse through the *Grievance and Arbitration* provisions of this Agreement.

Probationary periods may be extended one additional thirty (30) day period at the request of management if the Borough believes the probationary employee has not shown full and complete aptitude for the job at the end of the initial probationary period. A copy of the Supervisor's recommendation shall be copied to the Union Representative.

ARTICLE 7 - SENIORITY

"Seniority" shall mean a total of all periods of employment within classifications covered by this Agreement.

An employee shall lose seniority rights only for any one of the following reasons;

- (a) Voluntary resignation;
- (b) Discharge for just cause;
- (c) Failure to return to work within the prescribed period upon recall as provided for in the Layoff and Recall provisions of this Agreement;
- (d) Continuous layoff beyond recall period for re-employment outlined elsewhere in this Agreement;
- (e) Failure to report to work for three consecutive working days without notifying the proper supervisor.

ARTICLE 8 - PROMOTIONS AND DEMOTIONS

A. Job Posting

To provide promotional and lateral job opportunities for employees in the bargaining unit, the Borough must post all vacancies within the bargaining unit for eight (8) calendar days before filling such vacancies. The posting shall include a description of the job, the job classification, the location of the assignment, any required qualifications and the deadline for applying. It is understood that the procedure set forth in this Article shall not hinder the Borough in filling the vacancy at the earliest time through a temporary assignment.

B. Procedures

Employees shall have the opportunity to fill vacant positions within the bargaining unit through either promotions or lateral job openings using the procedures in this Article. Nothing in this Article, however, shall be interpreted as precluding the Borough from exercising its managerial right to decide not to fill a particular vacancy:

1. Employees that are qualified and interested in a posted position should submit written notification to the Department Head, or his designee, by the posted deadline. Any employee that meets the requirements of the posted position may make such application, except those employees who have been in their current position for less than six (6) months.

2. In considering who to select to fill a posted position, the Borough shall consider how the applicant's qualifications, including their skills, knowledge, abilities, experience and educational background (i.e. High School diploma or equivalent) match up with the essential requirements and functions of the job in question. Other factors that shall be considered by the Borough include seniority, disciplinary records, performance evaluations, attendance, interpersonal skills, interest in the position, leadership potential, and supervisors' recommendations.

3. Based solely on the criteria set forth above, the Borough must select the applicant that it deems, in its sole discretion, to be most qualified to fill the posted position. Assuming two or more employees have equal qualifications for the vacant position, the Borough shall promote the most senior qualified applicant to the position.

4. The successful qualified bidder must be placed within the job classification within sixty (60) calendar days after the posting.

5. The Borough reserves the right to hire from outside the bargaining unit to fill a vacant position in the Waste Water Treatment plant when the qualifications of an outside applicant exceeds the qualifications of any current bargaining unit member that volunteers to fill the vacant position. In Public Works, however, the Borough can only hire from outside the bargaining unit to fill a vacant position when there are no

qualified bidders for the vacant position from amongst the current bargaining unit members.

6. An employee who accepts a promotion or lateral job opening will retain all sick leave, comp time, and vacation balances.

7. If a job opening must be filled before the procedure in this Article can be used to make a permanent selection for the job opening, the job opening can be filled as a temporary reassignment, for a maximum of the 60 days provided in paragraph 4 above.

C. Trial Period

(1) The successful bidder must receive a trial period without change in compensation of thirty (30) working days on the new assignment.

(2) Such employee must be compensated retroactively at the salary of the new classification upon satisfactorily completing the trial period.

(3) During the trial period, an employee will be advised of his progress in the presence of the Shop Steward. Any deficiencies in his performance of the new job will be specified and methods for improvement demonstrated to him. If the Borough determines that the job is not being satisfactorily performed, the employee must be returned to his former job and the position must be given to the next qualified bidder. If the employee fails to meet the requirements of the new assignment within the trial period, such employee must be returned to the classification formally held and must assume seniority and pay as though the old classification was never left.

D. Surplus in Classification

In the event a surplus exists in a particular classification, the employees with the least amount of classification seniority must be demoted to the next lower classification. Such demoted employees must be maintained at the old "*high*" rate for a period of weeks equal to years of service before being reduced to the rate of pay of the classification demoted to.

ARTICLE 9 - LAYOFFS AND RECALL

In the event the Borough reduces the work force covered by this Agreement, the following procedure shall apply:

1. Employees shall be laid off in order of the least total employment seniority, regardless of classification. The Borough shall have the right to retain those employees with licenses or critical skills regardless of seniority, until any employee with higher seniority qualifies.
2. Notice of such layoff will be given at least one calendar month before the scheduled layoff.
3. A laid off employee shall have preference for re-employment for a period of two years.
4. The Borough shall rehire laid off employees in the order of greatest employment seniority. Under no circumstances whatsoever shall the Borough hire from the open market while any employee has an unexpired term of preference for re-employment and who is ready, willing and able to be re-employed.
5. Notice of re-employment to an employee who has been laid off shall be made by registered or certified mail to the last known address of such employee.
6. Employees must respond within five (5) working days from the date the letter is postmarked or the employee's recall rights will be voided. It is the employee's responsibility to keep the Borough aware of his/her current address.

ARTICLE 10 - RATES OF PAY

Employees across all job classifications shall receive increases in their annual salary as follows:

Effective July 1, 2012	2.00% on base pay.
Effective January 1, 2013	1.00% on base pay.
Effective July 1, 2013	1.00% on base pay
Effective January 1, 2014	1.25% on base pay
Effective July 1, 2014	1.25% on base pay

All increases set forth above shall be applicable to each step increment set forth in Schedule B.

Employees will be paid not less than the minimum for such classification in accordance with the *Table of Job Classification and Rates of Pay* as set forth in *Schedule B*, which is attached here to and made a part hereof. In addition to the general wage increases listed above, there shall also be a total of \$1,800.00 paid as annual stipends for all employees represented by the Union who are on the Borough payroll as of 7/1/03. This \$1,800 stipend is incorporated into the rates set forth in Schedule B.

Employees that are not yet at the maximum salary for their job classification shall be entitled step increments consistent with the Borough's Policy applicable to non-union employees.

ARTICLE 11 - PAY DAY

- A. Employees will be paid all earnings by direct deposit only (no manual checks) each bi-weekly period, with the payday as established by the payroll department.

- C. Employees will be paid during working hours.
- D. When payday falls on a Holiday, then the preceding day will be payday.
- E. Vacation pay will be paid on the day prior to the start of the vacation period, upon the written request of the individual employee at least four (4) weeks in advance.

ARTICLE 12 - WORKING AT DIFFERENT RATES

An employee assigned to a job classification with a higher hourly rate of pay shall be paid the higher hourly rate of pay for the entire day in accordance with the following schedule:

- A. Employees assigned to a job classification with a higher rate of pay for a period of not less than four (4) hours shall be paid the higher rate of pay for the entire day including overtime if overtime was incurred at the higher classification.
- B. The differential for the higher hourly rate of pay will be paid to the employee so assigned by the end of the succeeding month.

ARTICLE 13 - LONGEVITY

Longevity pay shall be considered as part of base wages for the purpose of computing Holiday Pay, Vacation Pay, Sick Pay, Retirement and Overtime.

Employees hired prior to January 1, 1996 are entitled to receive longevity pay in the amount of \$2,400 annually.

Employees hired on or after January 1, 1996 are not entitled to receive longevity pay.

ARTICLE 14 - HOURS OF WORK

1. The normal workweek for employees in the Department of Public Works will be eight (8) hours of work each day, and forty (40) hours of work each week, Monday through Friday inclusive. There shall be no split shifts.

The sweeper operator's schedule shall be established at least one week prior to commencement.
3.
 - A. The Borough shall allow a paid fifteen (15) minute break in the morning (at 9:00 a.m. unless otherwise directed by the supervisor) and a paid fifteen (15) minute break in the afternoon, which shall be added to the one half hour unpaid lunch break, effective upon execution of this Agreement as set forth below. The location of the break is immaterial. The intent is to be back at the work location and ready to work fifteen-(15) minutes after it (the break) begins.
 - B. Employees working Monday through Friday shall be entitled to a 50 minute lunch break, of which 30 minutes shall be unpaid.
 - C. The Borough agrees to guarantee each full time employee a minimum of eight-(8) hours' work or pay in lieu thereof, each day, Monday through Friday.
4.
 - A. The Borough agrees to guarantee an employee a minimum of two (2) hours work or pay in lieu thereof, at the applicable rate of pay, whenever an employee is called to return to work or required to start work before regular starting time. When an employee is called to return to work, or called in to work, the employee will be required to perform duties related to the call in or any other assigned duties, for which the employee is qualified at the discretion of the Borough.
 - B. The Borough agrees to guarantee an employee a minimum of four (4) hours of pay whenever such employee is called to return to work, or called in to work on either a Saturday, Sunday or Holiday. When an employee is called to return to work, or called in to work on either a Saturday, Sunday or a Holiday, the employee will be required to perform duties related to the call-in or any other

assigned duties, for which the employee is qualified, at the discretion of the Borough.

C. Employees have the option of electing to receive compensation for overtime in the form of compensatory time off instead of overtime pay. An employee shall be entitled to 1.5 hours of compensatory time off for every 1 hour of overtime worked. Employees may accumulate compensatory time off only up to a maximum of 40 hours. Any compensation for overtime once an employee has reached the 40 hour maximum shall be in the form of pay. The Borough agrees not to require, or in any way solicit; any employee to take time off to compensate for time worked in excess of eight (8) hours in a workday or forty (40) hours in a workweek.

5. The Borough agrees to allow an unpaid one-half (1/2) hour meal period for overtime work on Saturday or Sunday in excess of four (4) consecutive hours. Separate and distinct from the meal allowance provision of Article *XN* regarding emergency overtime work, the performance of overtime work on Saturday or Sunday followed immediately by the performance of emergency overtime work, may be combined for the purpose of computing a period in excess of four (4) hours as set forth above.
6. The Borough agrees to allow an unpaid one-half (1/2) hour meal period whenever an employee is required to work ten (10) consecutive hours and an additional one-half (1/2) hour lunch period for each additional four (4) hours of work. Meal periods occurring after ten (10) consecutive hours entitle an employee to a paid lunch period.

ARTICLE 15 - SNOW REMOVAL

Employees performing emergency work such as snow plowing, sanding, flood control, storm damage etc., for more than four (4) consecutive hours outside their normal workday, may take a rest period of one (1) hour after each four-(4) hours of such work.

- (4) Opportunity to earn premium pay shall be rotated with the intention to achieve equalization of premium pay earnings within each job classification, provided the employee is qualified to perform the overtime assignment and further provided that, the employee is able to respond and be available to begin working within 60 minutes of being requested to do so, except where there is an immediate threat to public safety in which case Borough can offer the premium pay opportunity to those that are able to respond and begin working in 30 minutes or less. It is understood that employees in the Waste Water Treatment Plant will be given the first opportunity for overtime in the Waste Water Treatment Plant, but if additional manpower is needed on overtime for the Waste Water Treatment Plant, then other employees will be called on a rotating basis from the Public Works Overtime Call Out List.
- (5) It is the employee's responsibility to leave a telephone number where he/she can be contacted.
- (6) A list shall be posted on the overtime worked and refused by each employee for the purpose of equalizing overtime.

1. Employees on the payroll prior to January 1, 1996 will be granted five (5) personal days of absence with pay in a calendar year. Employees hired after January 1, 1996 will be granted three (3) personal days of absence with pay in a calendar year.
2. Any unused Personal Days may be carried over into the next year and used as vacation.
3. Requests for Personal Days shall be made to the Department Head at least twenty-four (24) hours in advance, except in emergencies. Such requests shall be granted or denied by the Department Head, taking into consideration the needs of the department.

ARTICLE 19 - SICKTIME - SERVICE CREDIT FOR SICK LEAVE

A. Eligibility

1. Paid sick leave is an employee benefit provided to all regular, full-time employees who are unable to perform their duties due to the employee's own injury, illness or disability.
2. Taking sick leave under false pretenses is a violation of the public trust that is subject to disciplinary action.

B. Notification

1. Employees are required to give their Supervisor advance notice that they will be taking sick leave for one of the purposes set forth in Section A, above. The notice shall include the probable start date and, if known, the duration of the absence. Advance notice shall be defined as providing notice prior to the scheduled starting time for the work day for which sick leave will be used. Employees must keep their supervisor advised of any changes to their planned schedule of absence. Failure to follow this procedure may result in an unauthorized absence without pay and a recommendation for disciplinary action.
2. Any employee requesting sick leave for three (3) or more consecutive scheduled work days must provide the appropriate Health Care Provider's Certification within five (5) calendar days from the onset of the absence. If the Health Care Provider's Certification is not received within this time period the employee will be in no pay status and subject to disciplinary action.
3. An employee that has an unexcused absence of three (3) or more consecutive scheduled workdays shall, in the sole discretion of the Borough, be deemed to have resigned.

C. Amount of Sick Time

1. Sick leave with pay shall accrue to any full-time employee on the basis of one (1) working day per month up to a maximum of ten (10) during the first calendar year of employment after initial employment and fifteen (15) working days in every calendar thereafter.
2. Any amount of sick leave allowance not used in any calendar year shall accumulate to the employee's credit from year to year to be used if and when needed for such purposes

3. An employee shall not be reimbursed for accrued sick leave at the time of termination of his/her employment, except as provided in Article 21.
4. An employee who leaves the Borough's employ after having utilized more than his pro rata share of paid sick days for the year in question, shall pay back to the Borough the amount used in excess of his share, by way of deduction from his last pay check.

D. Medical Verification

1. An employee absent on sick leave for three or more consecutive days must bring in a note from his/her health care practitioner certifying that the employee was unable to work for health reasons and that the employee may return to work with or without restrictions. Until such certification is presented to the employee's supervisor, the employee will not be allowed to return to work. If an employee returns from sick leave earlier than stipulated on the last medical certificate submitted, a new certification which authorizes the new return date must be provided, or the employee will not be permitted to begin work.
2. The Borough may require proof of illness or injury from a health care provider when there is reason to believe that an employee is abusing sick leave. Examples of such situations include, but are not limited to, an established pattern of sick leave on Fridays, Mondays, or at the end or start of designated holidays or vacation leave, or during inclement weather. In addition, the Borough reserves the right to require such employee to undergo a medical examination by a health care provider selected and paid for by the Borough to verify the alleged illness/injury. If the medical condition is not substantiated by the employee's health care provider or by the health care provider selected by the Borough, the employee may be subject to disciplinary action.
3. On days of sick leave, during the hours that the employee would otherwise have been working, the employee shall remain at his/her residence to recuperate unless they advise their supervisor of a different location that they will be recuperating at. Employees not recuperating at their reported location of confinement during sick leave shall be subject to discipline, unless they can document that the reason that they were not at their reported location was because they were at a doctor's appointment related to the injury or illness that is the basis for the sick leave, or because they were at a pharmacy to obtain needed medication for the illness or injury that is the basis for the sick leave.
4. In cases of leave of absence due to exposure to contagious disease, a certificate from the Department of Health shall be required.

5. The Union agrees to cooperate with the Borough in reducing absenteeism to as low a rate as possible.

E. Confidentiality of Medical Information

1. Employees' health matters are their own concern, except when the Borough needs information to verify the sick leave request in accordance with the provisions of this Article, estimate how long an employee is likely to be absent, or evaluate and communicate the need for work restrictions and/or accommodations. Managers and Supervisors should not expect or require employees to explain why they need sick leave or FMLA leave, except for the reasons set forth above. All information about an employee's medical condition, once provided to the Borough by the employee pursuant to the terms of this Article, must be kept confidential.

ARTICLE 20 – VACATIONS

1. Vacation entitlement shall be based on the employee's anniversary date of employment.
2. Vacation pay shall be based on an employee's forty-(40) hour's straight time.
3. Total Employment Seniority and Vacation Entitlement.

5. Vacation schedules shall be posted by April 15th each year.

7. In the event a Holiday named in this Agreement falls during an employee's vacation period, such employee shall receive an additional day's vacation with pay.

8. In the event a death occurs in an employee's immediate family or the employee is disabled during the vacation period, the remaining vacation time shall be changed to either personal time or sick time and vacation time rescheduled at the employee's request. The Borough may request proof substantiating death or disability.
9. An employee may request vacation days in either units of a single day or in one-half (1/2) day increments subject to prior approval of the Department Head, provided that a written request is made at least twenty-four (24) hours ahead of the day on which the single day or one-half (1/2) day of vacation is to be taken.
10. Employees shall not be permitted to carry over unused vacation to the following calendar year, except that the Borough may, in its sole discretion, approve an employee's written request to carry over unused vacation days into the following calendar year.

ARTICLE 21 - TERMINAL LEAVES

Employees who retire with a pension under PERS shall be entitled to receive Terminal Leave. The number of Terminal Leave days will be based on the number of unused sick leave at the time of retirement. Retiring employees will remain on the payroll of the Borough based on one day of base salary pay for every four days if accumulated unused sick leave is 100 days or less; and 1 day base salary pay for every 3 days of accumulated sick leave if more than 100 days to a maximum of \$12,000.00 of Terminal Leave value. Retiring employees will continue their full coverage of health insurance and other benefits during their period of Terminal Leave. Employees may elect to receive their Terminal Leave value in a lump sum payment.

ARTICLE 22 - HEALTH CARE INSURANCE PROGRAM

A. Medical Coverage

The Borough shall provide each employee the following Health Care Insurance with dependent coverage:

1. Comprehensive Health Insurance, including the following: Comprehensive Surgical Insurance, Diagnostic Insurance, Major Medical
2. Out-of-Network Deductible: \$300/Single, \$600/Family
3. All employees must enroll in the "Point of Service" (POS) health insurance plan. Benefits will be in accordance with the Summary of Benefits attached as Schedule C.
4. Notwithstanding the foregoing, the Union acknowledges that effective July 1, 2011, the Borough commenced providing coverage to bargaining unit employees pursuant to the AmeriHealth PPO Plan instead of the AmeriHealth POS Plan. The change was made with the union's consent. This switch was made because the Borough was able to provide the more robust PPO Plan at a lower cost. The union acknowledges that for purposes of this Agreement, the equal to or better than provisions, set forth in Section D3 below, are based upon the POS plan design and coverage.
5. Notwithstanding Paragraph 3 and 4 above, the parties agree that through at least June 30, 2013, or, if later, whenever the Borough moves all non-union employees from the AmeriHealth PPO Plan to the AmeriHealth POS Plan, employees in the bargaining unit shall receive health insurance pursuant to the AmeriHealth PPO Plan, a summary of which is attached hereto as Schedule D. Effective July 1, 2013 or whenever the Borough moves all non-union employees to the AmeriHealth POS plan, the Borough will no longer provide bargaining unit employees with coverage under the AmeriHealth PPO Plan and will instead only offer coverage to those employees that enroll in the AmeriHealth POS Plan in accordance with this Agreement.

1. Step 1: The Shop Steward may appeal any discipline by submitting a written appeal to Borough Administrator within five (5) working days of the date that the employee receives the written notice of discipline. The written appeal shall set forth the employee's position as to why the disciplinary action taken was unfair or unwarranted. The Borough's spokesperson shall be permitted to ask questions of the employee or employee's spokesperson to obtain a better understanding of the employee's basis for claiming that the discipline was unfair or unwarranted. The parties are encouraged to resolve any disputes over the discipline at this meeting. Rather, if an appeal of the discipline at Step 1 or appeal of the Step 1 decision to arbitration at Step 2 is not timely filed in accordance with the time limits set forth herein, the discipline shall be deemed final and binding and shall not thereafter be considered subject to the disciplinary arbitration provisions of this Agreement. The Arbitrator shall conduct a hearing to determine the facts relating to the discipline imposed. The issue before the Arbitrator shall be limited to a determination of whether the Borough had just cause to impose discipline on the employee, and if so, whether the penalty imposed was appropriate. The Arbitrator shall render a written Award that sets forth the basis for his determination on these issues. The Arbitrator shall be confined to these issues and shall not have authority to determine any other issue. The decision of the Arbitrator on these issues shall be final and binding except as provided by applicable law. The expense of the arbitrator assigned shall be borne equally by both the union and the borough.
3. Time limits throughout the procedure may be extended by mutual consent of both parties, but only where the mutual consent is in writing and signed by both parties.

 - (b) how the work can be performed safely; or
 - (c) the work should be stopped.
5. In the event the employee refuses to perform work which the supervisor has determined as being performed in accordance with documented safety protocols and in a safe manner, the employee may request further review by the Borough Engineer, and in his absence by the Borough Administrator. The decision of the Borough Engineer or Borough Administrator will be considered final and the employee can then either perform the task as directed or be relieved of his duties, with no further compensation, until the matter has been resolved.

ARTICLE 38 - GRIEVANCE PROCEDURE

A. Purpose

1. The purpose of this procedure is to secure at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of this agreement.
2. Nothing contained herein shall be construed as limiting the right of any employee to discuss a matter informally with any member of his departmental supervisory staff, at a mutually convenient time, provided there is no undue interference with departmental operations. Such oral communications, however, shall not impact the obligation of the grievant or union to timely file the written grievance in accordance with the procedures set forth below.

B. Definition

The term "grievance" means any controversy arising over the interpretation, application or adherence to the terms and conditions of this agreement, and may be raised by the employee, or the Union at the request of and on behalf of an individual or group of individuals.

C. Steps of the Grievance Procedure

The procedure set forth below shall be the sole and exclusive method for processing grievances and shall be as follows:

Step 1 – The grievance must be presented in writing to the Public Works Manager within five (5) working days from the date the employee knew or should have known of the circumstances relating to the grievance. The written grievance shall set forth the details of the claimed breach, misinterpretation or misapplication of the Agreement, as well as the Article and Section of the Agreement claimed to have been breached, misinterpreted or misapplied and the date of such alleged breach, misinterpretation or misapplication. Within 10 days of receipt of the written grievance, the Public Works Manager must hold an informal meeting with the Union concerning the grievance. The grievance must be answered, in writing, within ten (10) working days after the Step 1 meeting.

Step 2 – If the grievance is not satisfactorily resolved by the Public Works Manager, the Shop Steward may submit a written appeal to the Borough Administrator within five (5) working days of receipt of the Step 1 decision. The submission must include all documentation pertaining to the grievance introduced at Step 1. A meeting among the union business agent, the aggrieved employee, the shop steward and the Borough Administrator (or his designee) will be held within ten (10) working days of the administrator's receipt of the grievance. The written response shall be given to all parties within ten (10) working days of the meeting.

Step 3 – If the grievance is not satisfactorily resolved at Step 3, the grievance may be submitted to binding arbitration by the union on behalf of the aggrieved employee within ten (10) working days from the date of the Step 2 decision. Such filing shall be in writing and shall be submitted to the Public Employees Relations Commission (copy must be simultaneously provided to the Borough Administrator) where a selection of arbitrators shall be forwarded to both the union and the employer under their rules of assignment. The jurisdiction and authority of the arbitrator and the arbitrator's opinion and award shall be confined exclusively to the interpretation and/or application of the express provisions of this agreement at issue between the Union and the Borough. No arbitrator shall have any authority or jurisdiction over any grievance that was not initially timely filed at Step 1, or a grievance that was not timely appealed to Step 2 or Step 3 by the union. Rather, if an appeal of the Step 1 or Step 2 decision is not timely filed in accordance with the time limits set forth herein, the decision of the Borough at the prior step shall be deemed final and binding and shall not thereafter be considered subject to the grievance and arbitration provisions of this Agreement. The arbitrator shall be restricted to the application of the facts presented and shall have no authority to add to, detract from, alter, amend or modify any provision of this agreement to impose on either party a limitation or obligation not explicitly provided for in this agreement, or to establish or alter wage rate or wage structure. The arbitrator's award shall be final and binding on all parties involved. The expense of the arbitrator assigned shall be borne equally by both the union and the borough.

Time limits throughout the procedure may be extended by mutual consent of both parties, but only where the mutual consent is in writing and signed by both parties.

The shop steward or alternate shall be permitted reasonable time to investigate and attempt to resolve the grievance of any employee after notification to the Public Works Manager. Employees have the right to have a union representative present during discussion of any grievance with representatives of the Borough pursuant to the grievance procedure.

ARTICLE 39 - SEPARABILITY AND SAVINGS CLAUSE

AmeriHealth PPO

Summary of Benefits

Borough of New Providence

AmeriHealth PPO, our popular Preferred Provider Organization, gives you freedom of choice by allowing you to choose your own doctors and hospitals. You can maximize your coverage by accessing care through AmeriHealth PPO's expansive network of hospitals, doctors and specialists. Of course, with AmeriHealth PPO, you have the freedom to select providers who do not participate in the AmeriHealth PPO network. However, if you receive services from out-of-network providers, you will have higher out-of-pocket costs and may have to submit your claim for reimbursement.

With AmeriHealth PPO...

- You do not need to enroll with a primary care physician
- You never need a referral

If the provider is an out-of-network provider, you must obtain precertification if required. You may be subject to a 20% reduction in benefits if precertification is not obtained.

In addition to the precertification requirements listed above, you should contact AmeriHealth and provide prenotification for certain categories of treatment so you will know prior to receiving treatment whether it is a covered service. This applies to network providers and members who elect to receive treatment provided by out-of-network providers. The categories of treatment (in any setting) include:

- Any surgical procedure that may be considered potentially cosmetic; and
- Any procedure, treatment, drug or device that represents new or emerging technology; and
- Services that might be considered experimental/investigative.

Precertification is not a determination of eligibility or a guarantee of payment. Coverage and payment are contingent upon, among other things, the patient being eligible, i.e., actively enrolled in the health benefits plan when the precertification is issued and when approved services occur. Coverage and payment are also subject to limitations, exclusions, and other specific terms of the health benefits plan that apply to the coverage request.

Standard Prescription Drug Program

20%/20%

New Providence PPO Rx

Here's how the program works!

When you purchase covered prescription drugs, you pay...

At A Participating Pharmacy

GENERIC	20% of The FutureScripts® Negotiated Price
BRAND	20% of The FutureScripts Negotiated Price

You receive coverage for medically appropriate prescription drugs*, including oral contraceptives, under this additional benefit when the drugs are prescribed by a licensed, practicing physician.

You may receive up to a 90-day supply** of covered medication at a retail pharmacy as follows:

- At participating retail pharmacies, you will pay 20% of the drug's negotiated price for the total amount dispensed.
- Non-participating retail pharmacy purchases are covered. You will be responsible for 50% coinsurance.

In addition, a mail-order service is available allowing you to order up to a 90-day supply of covered maintenance medications for \$0 copayment. Maintenance medications are prescribed for long-term treatment of a chronic health condition, i.e. arthritis, diabetes, heart disorders, high blood pressure, etc. This benefit can save you time and money.

To qualify as a covered benefit and ensure that the drug prescribed is medically appropriate, certain drugs require prior authorization. As a member, your physician can initiate prior authorization for these medications when medically appropriate.

When using a participating pharmacy to purchase covered prescription medications, your out-of-pocket amount is based on the FutureScripts negotiated price which is typically lower than the pharmacy's retail cost. The Standard Drug Program gives you access to more than 60,000 retail pharmacies nationwide through the FutureScripts network.

* This summary is intended to highlight the benefits available to you. For a complete program description, including all benefits, limitations and exclusions, refer to your benefit booklet or group contract. Examples of some items not covered are: Weight control drugs; experimental drugs; drugs and supplies that can be purchased over the counter; drugs used for cosmetic purposes (e.g. anabolic steroids and minoxidil lotion, Retin-A for aging skin); and nicotine gum or patches for smoking cessation.

** Certain Prescription Drugs may be subject to quantity level limits.
