Dear Mayor and Council,

Re: Purchase of a Ver-Mac Center – Post Variable Message Sign

I am requesting that a resolution be adopted for the purchase of one Ver-Mac Center – Post Variable Message Sign. This is a portable trailer mounted unit, which can easily be programmed on-site. We would be purchasing this Variable Message Sign from Certified Speedometer Service who is willing to take a trade in of our old Variable Message Sign, which is not working and would cost more than it is worth to repair. We have obtained three quotes and Certified Speedometer is the lowest quote at \$16,250.00.

Sincerely,

Anthony Buccelli, Jr.
