BOROUGH OF

MEMORANDUM TO: Douglas Marvin, Borough Administrator

Cc: Jim Johnston, Public Works Manager

FROM: Anthony Carnevale Jr., Licensed Operator *d*

SUBJECT: Instrumentation & Sulfur Dioxide Service Contract 2014

DATE: January 2, 2014

The attached maintenance renewal agreement is for ABB Automation Inc. to service our meters and sulfur dioxide system three times per year.

I recommend that the Borough enter into a maintenance agreement with ABB Automation because:

- a. They have been involved with our meters and sulfur dioxide system since they were installed.
- b. All our equipment was purchased from ABB (formerly Fischer & Porter), and their service technicians are factory trained and certified.
- c. They have all the factory parts for quick repairs if needed.

I will need a requisition for this service agreement done asap and a copy of the Purchase Order to forward to ABB so I can schedule an appointment for late January.

If you have any questions, please contact me.

There is no change in the scope of the contract, 3 days per year. However, there will be a modest increase.
