

**RESOLUTION**  
of the  
**BOROUGH OF NEW PROVIDENCE**  
Resolution No 2015-057

Council Meeting Date: 01-12-2015

Date Adopted: 01-12-2015

TITLE: RESOLUTION APPROVING PURCHASE ORDER FOR UNITED GROUP, IN AN AMOUNT NOT TO EXCEED \$12,620.00 FOR DISPATCH CHAIRS

Councilperson Galluccio submitted the following resolution, which was duly seconded by Councilperson Muñoz.

BE IT RESOLVED by the Mayor and Council of the Borough of New Providence, in the County of Union and State of New Jersey, that they do hereby approve purchase as follows:

- Purchase Order
- Administration - 15--272-911-3-40027
- Amount - \$12,620.00

Said purchase order is made and approved in the form as attached hereto and made a part thereof. Funds for said purchase order are certified available from Current Budgeted Appropriations.

APPROVED, this 12<sup>th</sup> day of January, 2015.

I hereby certify that the above resolution was adopted at a meeting of the Borough Council held on the 12<sup>th</sup> day of January, 2015.

Wendi B. Barry, Borough Clerk

## ***NPSM Emergency Services Communications Center***

### ***MEMORANDUM***

To: Mr. Douglas Marvin, Administrator – Borough of New Providence

From: Scott W. Ruf, Executive Director, NPSM ESDC

Date: December 29, 2014

Re: Communication Center Chairs

Due to the type of work, long periods of time sitting and need to remain attentive it is important that the equipment provided dispatchers is functional and flexible enough to accommodate the abuse of a 24/7 operation and the different people required to utilize them.

Attached is the proposal and information sheet for Iron Horse chairs for the new dispatch center.

**Action required:** Approval of the United Group's proposal for dispatch chairs in the amount of \$12,620.00. Funding for this proposal would be through existing capital funds for the consolidated communication center project.

# Synchronicity 2 Intensive Use Chair

Model 3150

- **Dymetrol® Suspension** Bouyant stretch “floating-on-air” suspension cushions torso with optimal tension: Prevents spine compression; bounces back almost instantly when weight is lifted; no springs to squeak, rust, break or flatten.
- **All Steel Frame** Ten-gauge steel maintains original tensile strength and rigidity over years of heavy-duty use.
- **Adjustable Armrests** No tools required to adjust. You can choose style, width and height for customized comfort, security and support.
- **Replaceable Covers** Fabrics can wear, but our frames are virtually indestructible. Bring back that “brand new” look in minutes even after years on the job.
- **Back Recline is a 2:1 ratio to seat bottom** Synchronized ergonomic 2:1 recline ratio eliminates back strain found in chairs with only backrest recline.

Seat Pan Depth	19" / 495.3 mm
Seat Pan Width	21" / 533.4 mm
Back Height - To Top of Chair Back	21" / 533.4 mm

# REDESIGNED TO BE THE BEST

## 3142r1 HIGH BACK

The 3142r1 set the standard for 24/7 Intensive Use Chairs. The first chair to combine state of the art ergonomics with unmatched durability the newly redesigned 3142r1 is still setting the bar in 24/7 chairs with replaceable covers.

## KEY POINTS

**DYMETROL SUSPENSION** - Dymetrol dissipates the occupant's weight over the entire chair surface improving blood flow and increasing oxygen levels to tissues. Improved blood flow and increased oxygen levels improves concentration and productivity and decreases fatigue. Dymetrol conforms to the shape of each occupant, as it almost instantly bounces back to original shape when weight is lifted. No springs eliminates the chances of squeaky or flattened springs that wear out more quickly over time.

**REPLACEABLE COVERS** - Covers can wear, but our frames are virtually indestructible. Bring back that 'brand new' look in minutes even after years of 24/7 service. Covers can be held on by hook-and-loop and can be replaced in a matter of minutes.

**SAFETY CASTERS** - Smooth dual wheel design with spring action not to roll away unless there is weight in chair. Dual connection point eliminates rattle for a smooth roll.

**ALL STEEL FRAME** - Eleven gauge steel maintains original tensile strength and rigidity over years of 24/7 heavy duty use.

**ADJUSTABLE ARMRESTS** - No tools required to adjust. You can choose style, width and height for customized comfort, security, and support. Swing arm style will swing out of the way from a seated position.

**WARRANTY** - The best warranty you'll never need. Chair is covered by a 6 year parts only warranty that includes all normal wear and tear. Chair is covered by a 10 year warranty that includes all manufacturing defects in materials and/or workmanship. Weight limit is 550 lbs. in a multi-shift environment.

SEAT PAN DEPTH	19"
SEAT PAN WIDTH	20.5"
BACK HEIGHT - TO TOP OF CHAIR BACK	25"
BACK HEIGHT - TO TOP OF HEADREST	31"
