Re: Communication Center Furniture

With the completion of the new consolidated dispatch center there is a need to purchase everything necessary to effectively operate the center. This includes furniture and storage for administration areas, break room and training/meeting room.

Attached is the proposal and information sheet for all the new furniture (desks, tables, file storage, seating, etc.) for the new dispatch center.

**Action required:** Approval of the EvensonBest proposal (NJ State Contract A81622) for the dispatch center furniture in the amount of \$16,694.80. Funding for this proposal would be through existing capital funds for the consolidated communication center project.
