Re: Garbage bid

Date: 4/3/2015

As you are aware we had to go to bid for garbage, grass, brush, leaves and bulk collection since First Occupational went out of business last year. We had 3 companies pickup the bid package and only one submitted a bid. Our current price is as follows.

2015 - \$ 328,847.82 plus bulk estimated 17,250= \$346,097.82

2016 - \$ 333,780.54 plus bulk estimated 17,500= \$351,280.54

2017 - No increase same as 2016. Last year of there contract.

Suburban disposals proposal is as follows everything is included in their price.

2015 - \$373,000.00

2016 - \$373,000.00

2017 - \$373,000.00

2018 - \$ 385,000.00

2019 - \$397,000.00

As you can see there is an increase of \$26,902.18 for year 2015 which will really be an increase of \$17,442.95 if we award there contract starting May 1 2015. The increase for 2016 will be \$ 21,719.49. The price for 2017 is the same as 2016.

I recommend awarding Suburban Disposal the contract. They have been doing the collection since May 2014 when they took over First Occupational contract and we have not had any problems. They have done a better job especially with the bulk collection.
