Re: New Providence Police Bicycle Auction

Mayor and Council,

I am requesting the approval to hold a bicycle auction for the entire inventory that is currently being stored in our property room. There are currently twenty five bicycles that have been secured by the police department. The bicycles include some that were found, abandoned, and others that were taken for safekeeping. I have made every attempt to find the owners in order to return the bicycles. As a result, these bicycles are found to currently have no known owners. A list of bicycles to be auctioned has been attached to this request.

I am requesting that this auction be held on a day of your choosing, preferably on a Monday through Thursday during my regularly scheduled working hours. If there is anything else you need, please contact me and I will provide more information.

Respectfully Submitted,
