RE: **Bid Summary/Contract Award Recommendation  
HMGP Generator Project  
Maser Project No. NPT-545**

---

The bid opening for the above referenced project was held on Thursday, September 17, 2015 at 11:00 am with the Engineer Representative, Patrick Jamieson present. A bid was received from one (1) contractor and the bid documentation is enclosed for your reference.

Based on a review of the summary of bids, contract documents, and contractor references, it is our recommendation that the Borough award this contract to Ener-G Rudox, in the amount of \$119,900.00, for the Base Bid. The Base Bid consists of the procurement and delivery of a 290 KW mobile generator for the Shared Dispatch Center, and the training of Borough personnel on proper operation and maintenance of the generator. The award would be subject to review of the bid documents by the Borough Attorney and the availability of funds. A copy of the Bid Summary is enclosed.

At this time, we would request that the Borough prepare contract documents through coordination with the Borough Attorney. Upon formal Mayor and Council action awarding the project, these documents should be forwarded to the Contractor for endorsement, along with a list of any other required documents.

Please contact me if you have any questions regarding this project.
