Dear Mayor and Council,

Re: Purchase of 2016 Ford Interceptor SUV Police Vehicle

I am requesting that a resolution be adopted for the purchase of two 2016 Ford Interceptor AWD SUV Police Vehicles under Morris County Co-Op Contract number 15A Item number 5. The vehicles will be ordered from Beyer Ford 170 Ridgedale Ave Morristown, NJ 07960 for \$25,539.75 each. The total price for the two vehicles will be \$51,079.50. The request for the two AWD SUV Interceptors stems from police vehicle 942 which is a 2012 Dodge Charger with 64,460 miles being replaced because of many mechanical problems including an engine rebuild. The second requested AWD SUV Interceptor would replace a 2012 Dodge Charger with 68,000 miles on it, which also previously had its engine rebuilt. The purchase of these two new vehicles would complete the entire New Providence Police vehicle fleet with AWD or 4WD vehicles, minus the police administrations Dodge Charger and DARE car. The AWD vehicles proved to be invaluable during the recent flash flooding which occurred several weeks ago. These purchases fall within the constraints of our 2015 Police Vehicle budget. I would also like to note that I have over 100 pages of service records for the Chargers that we are looking to replace.

Sincerely,

Anthony Buccelli, Jr.
Chief of Police
