Dear Mayor and Council,

Re: Purchase Police Equipment

I am requesting that a resolution be adopted for the purchase of police equipment for the two new police cars that were ordered. The police equipment would consist of emergency lighting equipment, prisoner cages and other equipment for the new Ford Interceptor SUV's. We would be purchasing the equipment from East Coast Emergency Lighting out of Millstone, NJ who is an authorized vendor for equipment purchasing under NJ Contract 81327 and 81336. They are also authorized for equipment installation under NJ Contract 81338. The total cost for the equipment and installation for both vehicles is \$18,461.60. Attached is a breakdown of the costs associated with this purchase. This purchase will be made within the limits of our 2015 police operating budget.

Sincerely,

A handwritten signature in black ink, appearing to read "Anthony Buccelli, Jr.", written over a faint circular stamp.
