RE: **Oakwood Park Athletic Field Renovation
Recommendation of Award
Maser Project No. NPT-555**

The bid opening for the above-referenced project was held on Thursday, June 30, 2016 at 11:00 am with the Engineer Representative, Andrew R. Hipolit, P.E., and the Borough's Clerk, Wendi Barry present. Bids were received from four (4) contractors. (Four-page bid summary attached).

Based on a review of the summary of bids, alternatives, and contract documents, it is our recommendation that the Borough award a contract to Dakota Excavating Contractors, Inc. in the amount of \$1,297,000.30 for the Base Bid and Alternate Bid 'A' for the above-referenced project, subject to review of the bid documents by the Borough Attorney and the availability of funds.

A copy of the bid tally is enclosed for your review. Please note that our office checks for mathematical errors in all submitted bid proposals. Mathematical errors were found in the following locations:

- Dakota miscalculated their Base Bid Price by an overage of .20 cents.
- Greenscape Contractors miscalculated two line items in their Base Bid, however all of their totals were correct.

After award of this contract, the Borough will be in a position to award the following contracts through the Keystone Purchasing Network:

- Purchase, delivery and installation of synthetic turf for the multi-purpose field and 90' baseball infield.
- Purchase and delivery of sports lighting.

Maser Consulting will be sending separate requests for both of the above-referenced items.

Please contact me, should you have any questions.
