Dear Doug,

This is to inform you that I will be resigning as Borough Physician effective 1 May 2018. It is not a decision made lightly, but my other professional as well as personal demands require this action. I have been proud of my professional association with the Borough and on a personal level have truly enjoyed working with everyone over the years and across all departments. New Providence is a great community and that is reflected by everyone associated with Borough Hall, across all levels.

I wish you, Betty, Theresa, and Jim nothing but the best moving forward!

Best regards,
Donna
