This Cost Reimbursement Agreement is made as of the _____ day of _____, by and between the Borough of New Providence having its offices at 360 Elkwood Avenue, New Providence, NJ 07974 ("Recipient") and the State of New Jersey, Department of Transportation, Division of Local Aid and Economic Development, having its offices at 1035 Parkway Avenue, Trenton, NJ 08625 ("State");

WITNESSETH:

WHEREAS, Recipient proposes to be the sponsor of a Project eligible for funding pursuant to the terms and conditions of this Agreement; and

WHEREAS, the Project may be included in the Metropolitan Planning Organization's Transportation Improvement Program and the State Transportation Improvement Program; and

WHEREAS, the State may award Recipient funds to finance the Project ("Project Fund"); and

WHEREAS, Recipient and the State desire to specify the conditions applicable to the financing of the costs of the Project out of the Project Fund and the obligations of Recipient and the State with respect to the Project; and

NOW, THEREFORE, for and in consideration of the mutual covenants contained herein, and pursuant to all federal, state, and local laws and ordinances, Recipient and the State hereby agree as follows:

1. Description of Project – Scope of Work

A detailed Project description is included in the Project Scope of Work and Cost Estimate attached to this Agreement.

2. Agreement Contract Term

2.1. This Agreement shall be effective upon proper execution by the State and the Recipient and shall continue in effect until the project is completed and all vouchers have been paid subject to Section 7 below. Allowable costs incurred for the performance of work in the attached Scope of Work in this Cost Reimbursement Agreement shall be eligible for reimbursement from the effective date of **September 19, 2018**. All such work shall be completed by **June 20, 2021**, unless either terminated or extended by written authorization of the State.

2.2. This Agreement may be terminated by either party upon thirty (30) days written notice to the other party in which case compensation shall be made for the costs of the work actually performed, subject to FHWA and or FTA concurrence. Costs incurred by the Recipient as a result of a termination by the State may be included in the Recipient's claim for compensation. Costs incurred by the State as a result of a termination by the Recipient may be set off against the Recipient's claim for compensation under the terms of this Agreement or any other Agreement between the State and Recipient until the costs have been fully repaid.

2.3 The Project shall not be sold, assigned or ownership transferred without the consent of the State and FHWA. In the event the Project is sold to a non-public entity for a non-public use or any use inconsistent with the terms of this Agreement, compensation according to termination of this Agreement by the Recipient shall be in effect.

3. Plans and Specifications

3.1 Recipient shall prepare, or have prepared environmental documents, engineering documents, plans, specifications and estimates for the Project and shall submit them to the State for the State's review. A Professional Engineer licensed to practice in New Jersey must prepare the plans and specifications. The State shall review the engineering documents, plans and specifications for conformance to program requirements and design standards. All design work shall conform to the applicable American Association of State Highway and Transportation Officials (AASHTO) design criteria, the current Manual on Uniform Traffic Control Devices (MUTCD), and the New Jersey Department of Transportation Bicycle Compatible Roadway and Bikeways Planning and Design Guideline. However, the design of traffic barriers and drainage systems shall conform to the New Jersey Department of Transportation Roadway Design Manual. All workmanship and materials shall conform to the current New Jersey Department of Transportation Standard Specification for Road and Bridge Construction as amended for Federal Aid. The Recipient shall notify the State in writing of any deviation from the standards. If there is a deviation from the standards, the Recipient shall accept any and all responsibility for any injury and damage by such deviation to any person or property and shall indemnify the State as outlined in the Agreement. If the design cannot conform to the minimum standards as set forth, a design exception will be required. The State shall notify Recipient when the project is acceptable for bidding.

3.2 Project limits cannot be exceeded, plans and specifications altered, construction change orders issued, or items added or deleted from Project without prior written approval of the State.

3.3 The Recipient shall designate a resident engineer who shall be empowered to represent the Recipient in connection with the administration of the Project, and shall be responsible for the monitoring and inspection of all work performed by its contractors.

4. Project Work

4.1 Recipient shall use its best efforts to complete or cause the completion of work on the Project ("Project Work") in accordance with the plans and specifications approved by the State.

4.2 Recipient covenants that Project Work will comply with all applicable laws and other requirements of federal, state and local governmental bodies. Recipient shall obtain all permits and licenses necessary to Project Work.

4.3 The Recipient shall not proceed with any Project work for which reimbursement shall be sought without the specific written authorization of the State. It is agreed that any and all project costs incurred by the Recipient prior to FHWA authorization of any Project phase shall be non-participating by the State and FHWA.

4.4 Recipient shall solicit bids for the work in accordance with all federal and state laws, rules and regulations applicable to public bidding. Upon receipt of bids from responsible contractors, Recipient shall select the contractor submitting the lowest responsive bid and shall furnish the name of such contractor to the State for concurrence. Recipient agrees not to contract with any contractor to whom the State or the Federal Highway Administration ("FHWA") has made a reasonable and timely objection. Professional services should be competitively selected based upon qualifications.

4.5 Recipient agrees that the monies requisitioned from the Project Fund will be used only to reimburse actual Project costs and for no other purpose. Recipient agrees that it shall provide to the State and the FHWA such documentation as will enable the State and the FHWA to determine that the proceeds of the Project Fund have been applied solely to the costs of the Project.

4.6 Upon written request of the State, the Recipient shall cause its contractor to provide payment and performance bonds in an amount equal to 100% of the cost of the Project Work. A surety company satisfactory to the State and qualified to do business in the State of New Jersey shall execute such bonds. Copies of all bonds shall be delivered to the State upon request. Only those sureties listed in the US Treasury Department Circular 570 and authorized to do business in the State shall furnish the surety bonds.

4.7 When Recipient considers the Project to be finally complete, Recipient shall request that the State's representative make a final inspection of the Project. If it is determined, after such inspection, that the Project has been completed in accordance with the plans and specifications, Recipient shall prepare and submit to the State a certification that the final inspection has been made and the cost of the Project has actually been incurred in accordance with the provisions of the Agreement. Upon receipt, the State shall disburse an amount equal to the approved final payment. Upon payment of the amount approved for final payment, the State shall be released from any further responsibility in connection with the Project Fund and the Project. The New Jersey Department of Transportation, Division of Local Aid and Economic Development will monitor maintenance of completed Project by the Recipient. Failure to maintain Project will result in the withholding of funds payable to the Recipient on other State funded programs.

5. Insurance

5.1 Recipient shall maintain or cause to be maintained:

5.4 Recipient expressly understands and agrees that any insurance protection required by this Agreement shall in no way limit the obligations assumed by Recipient pursuant to this Agreement and shall not be construed to relieve Recipient of liability in excess of such coverage, nor shall it preclude the State from taking such other actions as are available to it under any other provision of this Agreement or otherwise in law.

6. Disbursement of Project Fund

6.1 (a) The State shall disburse monies from the Project Fund to Recipient in order to reimburse costs associated with Project Work in accordance with the terms and conditions of this Agreement. Only those costs specifically enumerated in the Project Scope of Work and Cost Estimate attached to this Agreement and outlined below will be eligible for reimbursement. Nothing contained herein shall impose upon the State any obligation to ensure the proper application of the monies paid to Recipient from the Project Fund. Furthermore, nothing contained herein shall impose any obligation upon the State to pay to Recipient any monies in excess of the Project Fund. The Recipient shall reimburse the Consultant/Contractor for allowable expenses after the receipt of properly prepared payment vouchers.

6.1 (b) The total cost of the project by the Recipient for completion of the Project Scope of Work in this Agreement shall not exceed **\$245,000.00**, with an approved budget as follows:

(c) The State shall review and verify such payment vouchers for payment and remunerate the Recipient for direct and indirect costs incurred up to a maximum Project approved budget of **\$245,000.00** stated in this Agreement for satisfactorily completing the Project.

(b) The Sponsor may submit vouchers for reimbursement totaling up to 90% of the lesser of either the authorized amount or the amount eligible for State funding participation. The Sponsor shall submit a final payment voucher, along with any necessary close out documents, for reimbursement of the remaining 10%, following receipt of written final acceptance of the project by the Department of Transportation.

6.4 (a) All work performed by contractors and subcontractors on the Project shall be treated as being performed by the Recipient. The Recipient shall remain responsible for satisfactory performance of all work.

(b) The Recipient will be paid a Fixed Price for the work of each contractor and consultant. The Fixed Price shall be considered full compensation for all costs incurred by the Recipient relative to the work performed by each contractor and consultant. Payment of the Fixed Price shall be made on monthly or quarterly payment vouchers submitted by the Recipient based upon the percentage of the contracted work completed as shown in the Recipient's monthly progress reports.

(c) Recipient shall require its contractors and consultants to comply with the applicable cost principles set forth in Section 6.2 above and the requirements of Section 8 below by placing equivalent provisions in their contracts.

In the event the Recipient fails to comply with said request, the State is hereby authorized to deduct such overpayment from other monies due the Recipient under the terms of this Agreement or any other agreement between the State and the Recipient. Furthermore, the Recipient expressly understands and agrees that the provisions of this section shall in no way be construed to relieve the Recipient from any liability, or preclude the State from taking any other actions as are available to it under any other provisions of this Agreement or otherwise at law. The terms of this section shall survive the expiration or termination of the Agreement.
 - In the event of underpayment by the State, the State shall pay sufficient funds to the Recipient to correct the underpayment as soon is practicable.

8. Inspections

Recipient shall permit the State and FHWA, or any authorized representative of either of them, free access to the Project with the right to examine, visit and inspect, at any reasonable time, all work completed or in progress, labor performed and materials furnished in connection with the Project as well as Recipient's accounts, books and records, including its receipts, disbursements, contracts and any other matters relating thereto. If Recipient shall be required to defend in any action or proceeding pursuant to this Section 6 to which action or proceeding the State is made a party, the State shall be

entitled to participate in the matter, at its election and sole cost; provided, however, that any such action by the State does not limit or make void any liability of Recipient in respect to the claim or matter in question.

10. Abandonment of Project

It is understood and agreed by and between the parties hereto that Recipient shall complete the Project to provide a safe and usable unit and shall not be entitled to abandon the Project. If the Recipient abandons the project during any phase (planning, design, construction, etc.) all funds expended by the State and the FHWA, will be reimbursed by the Recipient to said parties.

During the performance of this Agreement, the RECIPIENT, for itself, its assignees and successors in interest hereinafter referred to as the RECIPIENT, agrees as follows:

1. Compliance with Regulations: The RECIPIENT will comply with Regulations of the United States Department of Transportation relative to nondiscrimination in federally assisted programs of the Department of Transportation (Title 49, Code of Federal Regulations, Part 21 through Appendix H, and Title 23CFR Part 710.405(b), hereinafter referred to as the Regulations), which are incorporated herein by reference and made a part of this Agreement.
2. Nondiscrimination: The RECIPIENT, with regard to the work performed by it after award and prior to completion of the work, will not discriminate on the basis of race, color, age, sex, or national origin in the selection and retention of subcontractors, including procurement of materials and leases of equipment. The RECIPIENT will not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices when the Agreement covers a program set forth in Appendix B of the Regulations.
3. Solicitations for Subcontracts, including Procurement of Procurement of Materials and Equipment: In all solicitations either by competitive bidding or negotiation made by the RECIPIENT for work to be performed under a subcontract, including procurement of materials or equipment, such potential subcontractor or supplier shall be notified by the RECIPIENT of the RECIPIENT'S obligations under this Agreement and the Regulations relative to nondiscrimination on the basis of race, color, age, sex or national origin.
4. Information and Reports: The RECIPIENT will provide all information and reports required by the Requisitions, or orders and instructions issued pursuant thereto, and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the STATE or the Federal Highway Administration to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of the RECIPIENT is in the exclusive possession of another who fails or refuses to furnish this information, the RECIPIENT shall so certify to the STATE or the Federal Highway Administration as appropriate, and shall set forth what efforts it has made to obtain the information.
5. Sanctions for Noncompliance: In the event of the RECIPIENT'S noncompliance with the nondiscrimination provisions of this contract, the STATE shall impose such sanctions as are appropriate and available under the laws of the STATE.
 - (a) Withholding of payments to the RECIPIENT under the contract until the RECIPIENT complies, and/or
 - (b) Cancellation, termination, or suspension of the contract, in whole or in part.
6. This Agreement is subject to all federal, State, and local laws, rules, and regulations, including, but not limited to, those pertaining to nondiscrimination in employment and affirmative action for equal employment opportunity.
7. The RECIPIENT agrees to ensure that Disadvantaged Business Enterprises (DBE's) as defined in 49 CFR, Part 23 and FTA Circular 4716.1A, have the maximum opportunity to participate in the performance of contracts and subcontracts financed in whole or in part with federal funds. Failure to make a good faith effort to meet the established DBE goal may result in sanctions as defined under paragraph 5 of this Appendix.
8. If at any time following the execution of this Agreement, the RECIPIENT intends to sublet any additional portion(s) of the work or intends to purchase materials or lease equipment not contemplated during the original proposal preparation, the RECIPIENT shall:
 - (a) Notify the Project initiator, in writing, of the type and approximate value of the work which the RECIPIENT intends to accomplish by such subcontract, purchase order or lease.
 - (b) Give DBE firms equal consideration with non-minority firms in negotiations for any such subcontracts, purchase orders or leases.
9. Incorporation of Provisions: The RECIPIENT will include the provisions of paragraph (1) through (9) in every subcontract, including procurement of materials and leases of equipment, unless exempt by the Regulations, orders or instructions, issued pursuant thereto.

The RECIPIENT and the STATE do hereby agree that the provisions of Title II of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. Sec. 12101 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the STATE pursuant to this contract, the RECIPIENT agrees that the performance shall be in strict compliance with the Act. In the event that the RECIPIENT, its agents, servants, employees, or sub consultants violate or are alleged to have violated the Act during the performance of this contract, the RECIPIENT shall defend the STATE in any action or administrative proceeding commenced pursuant to this Act. The RECIPIENT shall indemnify, protect, and save harmless the STATE, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages of whatever kind or nature arising out of or claimed to arise out of the alleged violation.
