Dear Mayor Morgan:

I am pleased to inform you that New Providence has been selected to receive funding from the New Jersey Department of Transportation's (NJDOT) Fiscal Year 2019 Municipal Aid Program for the Various Streets-New Providence Project in the amount of \$350,000.

NJDOT's Municipal Aid Program is a very competitive program. This year the Department received 681 applications requesting more than \$377.9 million. There is \$161.25 million available in funds from the Transportation Trust Fund (TTF) supported by the State gas tax.

As part of the Department's Commitment to Community, NJDOT provides statewide assistance for local governments for improvements to and preservation of the local transportation network, this network makes up about 90 percent of New Jersey's roadways. The successful completion of your project will help achieve this goal and provide your constituents and everyone that uses local roads a transportation system that provides the mobility they deserve.

Should you have any questions regarding your grant, please contact the NJDOT Local Aid District Office in your area.
