Re: Borough of New Providence- EMS Building

We are pleased to submit the following proposal for your consideration. We propose to furnish and install all labor and materials to complete the following work as previously discussed.

HVAC Work:

The scope of this budget includes the following:

- Disconnecting and removing the existing unit and associated debris.
Furnish and install One (1) Lennox 10 ton heating/cooling rooftop packaged unit.
Model Number: KGB120S4BH
Replace existing thermostat with One (1) new wall mounted programmable thermostat.
All necessary power wiring to reconnect to existing feeds.
All necessary gas and refrigerant piping to reconnect to existing.
All necessary rigging of equipment.
This proposal is based on prevailing wages.
This proposal assumes that the project will be tax exempt.
A proper start and test will be performed upon completion of the job.
Total cost for this option \$12,700.00
Additional cost for an economizer \$1,030.00

Costs that are not included in this price:

- Cost of permits.

Thank you for the opportunity to quote you on the above project. I remain,

Sincerely,
REINER GROUP, INC.

Sean Bozkurt,
Project Engineer

ACCEPTANCE OF PROPOSAL - The above prices, specifications and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified. Unless stated otherwise on the proposal payments are due in full 30 days after date of invoice. Reiner reserves the right to collect up to 1.5% finance charge per month for unpaid balances and all related collection costs associated with nonpayment, including attorney's fees.
